

Drs. Ben Noteboom

Résumé

Achtergrond - 2 april 2009

Drs. Ben Noteboom has been governing board chairman of Randstad employment agency since 2003, where he succeeded Hans Zwarts.

Noteboom studied Law at Erasmus University in Rotterdam. He worked at the flower exporter Zurel and at Dow Chemical, before he made the transition to Randstad in 1993. At Randstad he built a successful reputation through the integration of Tempo Team and Werknet. Noteboom has installed the new division Capac, which takes care of the incoming and out coming flow of employers at companies like DAF.
